Subject: Confidentiality Agreement re Schnitzer Steel Industries, Inc.
Attachments: 2020-02-26 U.S.-CA Schnitzer agreement.doc; (JPT Proposed Revised) Schnitzer CA US agreement 2-4-20.docx

Hello, Ms. Leong:

I'm an attorney with the Department of Toxic Substances Control (DTSC) that has been involved with the efforts of a Joint Prosecution Team (JPT)—comprised of DTSC, the California Attorney General's Office, and the Alameda County District Attorney's Office—relating to Schnitzer Steel Industries, Inc.'s metal shredding facility in Oakland, California.

I understand that you've been communicating with Jack Koenig, Senior Attorney with the California Air Resources Board, regarding a possible confidentiality/common interest agreement between the United States and multiple state and local entities regarding one or more possible enforcement action(s) against Schnitzer.

Jack passed along a proposed confidentiality agreement dated February 26th (first attachment), which I understand was revised based on concerns, relayed to you by Jack in early February, raised by the JPT to the first draft proposed agreement (dated February 4th). Would you be willing to schedule a call with me to discuss why the JPT believes its proposed agreement (second attachment) is more appropriate and in line with past confidentiality agreements with Region IX?

Thank you,

Colin Roberts
